Education

University of Indonesia

Bachelor of Computer Science (GPA 3.30/4.00)

Depok, West Java

Aug 2024 - Aug 2028

Experience

BEM Fasilkom UI

July 2025 - Present

Head of Business & Partnership Bureau

- Spearheaded strategic collaborations with external corporate partners to facilitate institutional growth and secure sponsorships for faculty-wide initiatives.
- Managed the end-to-end refactoring and deployment of the PEMIRA FISIP UI election system, ensuring high availability and stability during critical voting periods.
- Developed a comprehensive "Tryout" feature for the Jitu Academy platform from scratch using **Express.js** and **Next.js**, integrating automated scoring and real-time user progress tracking.

RISTEK Fasilkom UI

Mar 2025 - Present

People Operations of Web Development

- Orchestrated "Coffee Chat" initiatives to facilitate knowledge transfer, connecting active RISTEK members with distinguished alumni at top-tier tech firms for career mentorship.
- Curated a centralized repository of learning resources, enabling members to access recorded sessions and study materials asynchronously.
- Developed and executed a quarterly performance evaluation system for all division members, utilizing "report cards" to assess soft skill competencies and foster continuous personal growth.
- Managed end-to-end relations with guest speakers for technical workshops, specifically bridging current members with distinguished alumni at leading tech firms to share industry insights and best practices.

BETIS Fasilkom UI

Nov 2024 - May 2025

Staff of Akademi Pengajar

- Engineered a comprehensive learning curriculum for the **General Knowledge and Understanding (PPU)** subtest of the National College Entrance Exam (UTBK), strategically designed to optimize student retention and comprehension.
- Orchestrated the development of standardized mock exams (*Tryouts*) and practice materials, ensuring all assessment content aligned with the latest national exam patterns and difficulty levels.
- Delivered high-impact instructional sessions on the PPU subtest to underprivileged students, simplifying complex linguistic concepts to improve their performance in practice assessments.

Open House Fasilkom UI

Liaison Officer

Aug 2024 - Dec 2024

- Served as the primary point of contact for high school participants, ensuring seamless communication and delivering a high-quality guest experience throughout the event.
- Acted as the primary point of communication between the organizing committee and external participants, resolving high-pressure logistical bottlenecks and onsite inquiries.
- Led and supervised a team of mentors, providing comprehensive briefings and technical guidance on event protocols to ensure seamless execution.

Adjie M. Usman

PERAK Fasilkom UI

Staff of Festival

Feb 2025 - Sept 2025

- Served as the Person in Charge (PIC) for the festival's main event, orchestrating end-to-end operations and ensuring a seamless experience for **300+** attendees.
- Liaised with external amusement and equipment vendors to secure event attractions, managing the negotiation, procurement, and logistical coordination of rented assets.
- Managed communications between the committee and external parties to streamline event logistics and resolve on-site operational challenges.
